*The primary aim of all government regulation of economic life of the community should be, not to supplant the system of private economic enterprise, but to make it work.*  
-- Carl Becker

The three most puzzling questions are:  
 1. Why are we born?  
 2. Why do we die?  
 3. Why do we spend so much of the intervening time wearing digital watches?

27	8	54	55		32	28	30	31

INSTRUCTIONS: These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you would use, but it's probably close. Follow the numbered squares in order 1, 2, 3, ... until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
