Hope is like the cork to the net, which keeps the soul from sinking in despair; and fear is like the lead to the net, which keeps it from floating in presumption.
-- Watson

INSTRUCTIONS: These hint grids reveal the order in which the squares were solved by my computer. It's not necessarily the same order you would use, but it's probably close. Follow the numbered squares in order 1, 2, 3, ... until you find a square you haven't solved yet. This square (or the one or two immediately after it) is a good candidate to solve next.
